

## PHILIPPINE BASKETBALL ASSOCIATION OF MICHIGAN

5273 Hollow Dr. Bloomfield Hills, Michigan 48302

June 23, 2008

Dear Sponsors, Donors, Golfers and Friends,

In our common effort of providing a continuous sports program for the Filipino-American youth in our community, the Philippine Basketball Association of Michigan for the 21st year, will be sending teams to the annual North American Basketball Association (NABA) Tournament to be held locally here in Rochester Hills, Michigan on Labor Day weekend, Aug. 30 & 31, 2008.

There are fourteen (14) US and eleven (11) Canadian cities participating and competing in nine (9) divisions in this prestigious sports event. We are participating in all 9 divisions to represent the Filipino-Americans in our community and the city of Detroit.

The Philippine Basketball Association is responsible for providing players with their Uniforms, Hotel rooms, Registration fees, Referees, Scorekeepers, Timers, Janitors, and Gymnasium Rentals. We know that this program requires a considerable amount of money, time and effort. However these factors did not deter us from pursuing it because we are extremely proud that this talented group of young players will have the opportunity to be ambassadors of goodwill.

To finance this project, we need approximately \$10,000.00. We have launched a fund raising drive by sponsoring a Golf Outing, which we hope will generate the funds needed. In this connection, I would like to personally invite you to be a part of this outing by either sponsoring a golf hole or play the game. The amount per hole is \$50.00 minimum. Posters with the names and/or companies of the sponsors will be placed on each of the 18 holes. You may also sponsor a golfer of your choice, list of golfers enclosed. Please send your tax deductible contribution, payable to PBA of Michigan, to **Martha Cabarios at 38941 Marlborough, Sterling Heights MI 48310.**

There's nothing more exciting, more rewarding, with feelings of satisfaction and contentment for me as Commissioner than to see a group of young people catch this vision and I know that my efforts is geared towards this very goal-to raise the next generation of young and excellent athletes who has the passion to reach the world for unity through sports.. God bless!!

**Please help us help these kids transform their dreams into reality.**

Again, thank you for present and past favors.

Gratefully yours,

Ron V. Damasco  
Commissioner, PBAM & NABA
